Memories

Memories are heartbeats
Sounding through the years,
Echoes never fading
Of our smiles and tears.
Moments that are captures,
Sometimes unaware,
Pictured in an album
Or a lock of hair.

Images that linger
Deep within the mind,
Bit of verse we cherished
Once upon a time.
Through the musty hallways
Of the days we knew
Ever comes the vision
Beautiful and true.

Memories are roses
Blooming evermore,
Full of fragrant sweetness
Never known before.
Life must have a meaning,
Goals for which to strive. . .
Memories are lights that burn
To keep the heart alive.

President's Farewell Message

Alan Tronson

1977

The past twelve years have been a period of learning for all of us. Spending roughly half of these twelve years at school, naturally, we have many people to thank, and so on behalf of the class of 1977, I'd like to first thank our parents who had to spend the other half of these twelve years with us. To the teachers, we say thanks, for you not only gave us knowledge, but understanding. To the cooks and custodians, whose work is often taken for granted we are grateful. Last but not least we thank the administration.

Looking ahead to the future, I'm sure each of us, deep down, will miss all of you and especially our friends. It is for the memories now that we thank you and it is with hope that the memories of us will be good memories, that the class of 1977 bids you all farewell.
